The website continues to add new features.

Soon there will be a **Calendar** link that will have NPAA related information and will only be edited by board members.

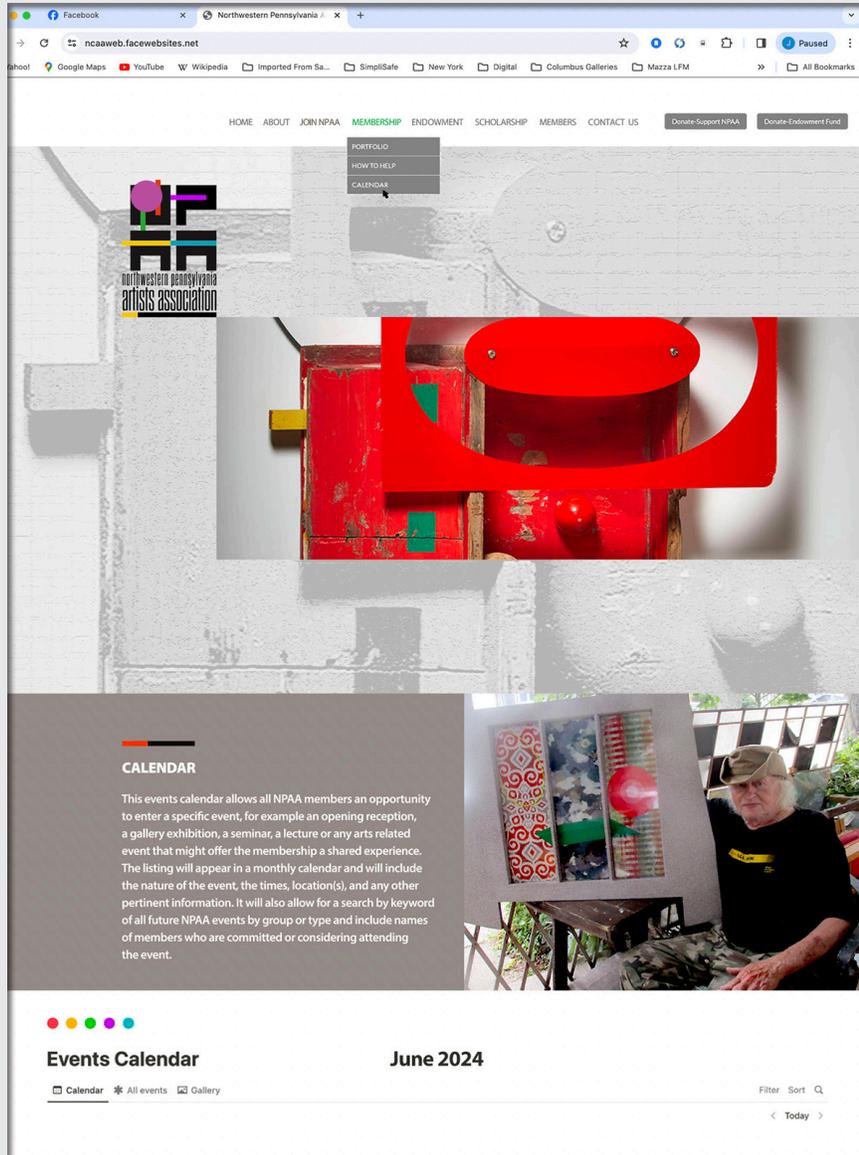

The listing will appear in a monthly calendar.

You will find the Calendar in the drop down menu under the **MEMBERSHIP** link in the header bar at the top of the **HOME PAGE**.

We're also designing and building a **Bulletin Board** where any member specific or other art related information will be available and can be updated by all members through your password.

Additionally, we're developing an **Online Form** for members to enter NPAA exhibitions and be editable by our members only. This would be located in each member's space via their password.
