welcome

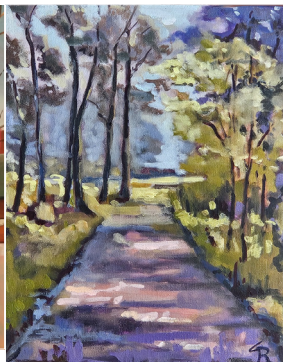

LEAH HUMPHRIES

Being part of an organization that values excellence and actively promotes the growth of its members through exhibitions and other creative endeavors aligns with my artistic aspirations.

KRISTEN MUENCH

I am, albeit slowly, working on a new website to highlight the new work I have been producing. This new style is filled with energy and mystic, though still based on the plein air watercolor style which is my passion.

GUDRUN RICHTER

I was creative in my leisure time from an early age on. Once I moved to Erie I had the opportunity to pursue my love of art. I found an excellent teacher, who inspired me to try new and challenging ideas. The artist community in our area is amazing.
