"In the summer of 2025 I retired from teaching at the Neighborhood Art House. The most wonderful thing about the Art House is the spirit. Walking through the door, one can't help but smile at all that happens there. Watching a shy seven year old grow into a confident teen is the best reward. I will continue my support with the Taste of the Arts fundraisers."

Deborah Sementelli attended Mercyhurst College and then transferred to the Pittsburgh Art Institute. She came back to Erie to raise a family and then finished her education at Edinboro University.

"I enjoy sharing and fostering the love of fine needlework with the community and future generations. I am finally focusing on developing a series. Small 12" x 12" pieces can be fun, challenging and portable. This allows me to use the rather enormous amount of materials that I have collected over the years. Kris Risto and I carry on hosting and nurturing Erie Open Figure Sessions. The human, in form and function, continues to be the main focus of my work as in drawing faces and figures in fiber.

In addition to being an NPAA member, Deb is also President of the Lake Erie Fiberarts Guild.

CITY GALLERY

Jamie Borowicz was voted the winner of a competition held during the 2025 NPAA Holiday Party at City Gallery to have an exhibition during 2026. He would like to use this opportunity to have a collective show of artists who are connected to Mercyhurst College/Mercyhurst Prep. It is their 100th anniversary this year and as an alumni of the college and a teacher at both, he is fully aware of the role Mercyhurst has played in creating a very rich artistic community in Erie and would like to celebrate that with fellow alumni.

"I know there are a number of NPAA members who are faculty or former faculty and a number who are alumni of one or both schools.

I'd like to invite those members to participate.

The current plan is for the month of April."

If interested, please contact Jamie at jborowicz@mpslakers.com for information and more details about the upcoming show.

Look forward to hearing from you.

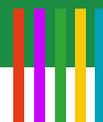

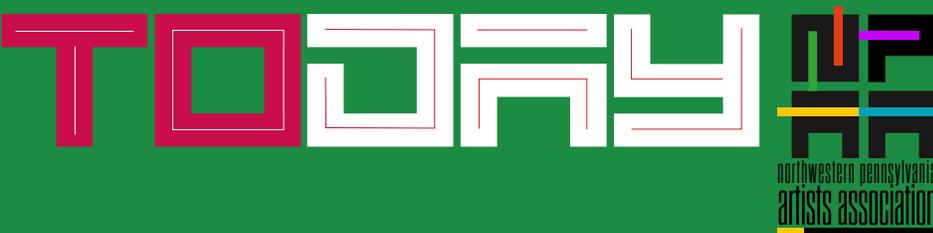

Thanks.
